The economic operator responsible for public transport within Prishtina Municipality is the Public Enterprise "Trafiku Urban". Their webpage is <http://trafikurban-pr.com/shq/>. In this webpage you can find the bus lines to different parts of the city as well as the schedule for each bus line (<http://www.trafikurban-pr.com/shq/itinerari.html>). Both of these information sources are only in Albanian.

Information for transportation from Prishtina to other cities of Kosovo and neighboring countries is available on the webpage of Prishtina Bus Station (<http://www.stacioniautobuseve-pr.com/>) or at Gjirafa (<https://gjirafa.com/Autobus>).
